

STIRLING MARATHON

Stirling Marathon Limited | 33 Park Road | Elora, ON | CANADA N0B 1S0

Position: Production Assembler

Location: In Person

Duration: Full Time, Permanent

About the Company:

Stirling Marathon is a proudly Canadian, family-owned, and rapidly growing manufacturer and distributor of high-quality home appliances. Based in Elora, Ontario, we operate under the Stirling, Marathon, and Epic brands. We are honoured to be bringing appliance manufacturing back to Canada, delivering products that showcase exceptional quality, engineering, and performance.

At Stirling Marathon, we believe in working together as a team, treating our customers and each other with respect, and creating a positive, supportive work environment. We value hard work, innovation, and dedication—and we make sure to have fun along the way. If you're looking to join a company where your contributions matter and you can grow alongside a passionate team, you've found the right place.

Job Description:

Reporting to our Operations Manager, the ideal candidates will play a crucial role in the manufacturing process to ensure they meet the quality standards of our Refrigeration Factory.

Responsibilities:

- Assemble various components for production following established guidelines.
- Follow detailed work instructions, blueprints, and quality standards to ensure product integrity.
- Conduct visual inspections to identify defects or inconsistencies in components and report issues.
- Use hand tools, power tools, and specialized equipment safely and effectively.
- Maintain an organized workspace and manage inventory of assembly parts.
- Collaborate with other team members and departments to maintain efficient production flow.
- Follow all safety procedures and company policies to ensure a secure working environment.

Qualifications:

- Previous experience in a manufacturing environment is considered an asset.
- Ability to work quickly and efficiently while performing repetitive tasks.
- Attention to detail to follow directions thoroughly.
- Able to work from verbal and/or written instructions with minimal supervision.

What We Offer:

- Modern factory environment with advanced equipment, processes, and automation.
- Competitive wages and benefits package.
- Opportunities for professional growth and development.
- A dynamic and supportive work environment.
- Flexible hours and summer hours.
- Company BBQ's and events.
